

## Step 1: REGISTER

Go to [community.gadoe.org](https://community.gadoe.org). Create an account using your professional, work-provided email. Accounts are approved within 24 hours Monday-Friday.

Below is a red error message: 'Please login to access this website.' There are input fields for 'Email Address' and 'Password', a 'Remember Me' checkbox, and a 'Forgot Password?' link. A 'Log In' button is at the bottom.

## Step 2: COMPLETE PROFILE

After you log in the first time, take a moment to complete your user profile so others can connect with you.

The Georgia Department of Education is working hard to support schools and districts in innovative, digital-first ways. The Department has launched **GaDOE Community**, a new online platform that provides staff from GaDOE, RESAs, districts and schools with a place to network, collaborate, and learn.

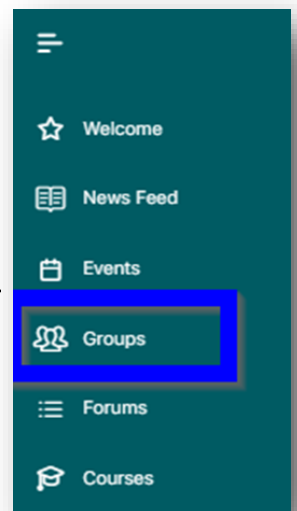

We invite you to join this growing collaborative community today.

## Step 3: JOIN GROUP

Search available groups hosted by DOE departments. Some groups allow for public access and others require access to join.

As you interact with the platform and your colleagues, please submit any comments or concerns via the contact page on the site or to [gadoecommunitysupport@doe.k12.ga.us](mailto:gadoecommunitysupport@doe.k12.ga.us).

We look forward to learning with you in the Community!
