ELA 9-10 “Big Make” Multi-genre 'Zine Article

Project Description

For your final product, you will be composing and designing a magazine ('zine) article and embedding at least one additional informational text genre into your final product. Your final product should be designed to appeal to your audience’s aesthetic senses, in addition to conveying information.

Requirements:

- Article Title
- Byline
- Headings for Body Paragraphs
- Minimum of one “expert quotation” integrated
- Main Article
  - Lead/Introduction
  - 4 Body Paragraphs
  - Conclusion
- Second Genre Incorporation {with at least three identifiable features of chosen genre}
  - Infographic
  - Chart/Table
  - Podcast {Digital Format}
  - Video {Digital Format}
  - Recipe
  - How-to Guide
  - Memoire
  - Brochure

  This list is not exhaustive. If you would like to incorporate a different informational genre, then just have it approved by your teacher!

- Interesting Graphic Design

Optional Features:

- Author’s Biography and/or Headshot
- Illustrations/Pictures with Captions
- Pull Quote
