I can write an ending section to my book

For my ending I can:

1. Ask a question
   - *Do you like whales?*

2. Tell the reader what they learned
   - *Now you know all about whales!*

3. Tell the reader how I feel
   - *Whales are the greatest!*

4. Give the reader advice
   - *Whales are very interesting. You should go see a real whale at the aquarium so you can learn even more about them.*
